Grange, Edward Alexander Andrew - Principal, Ontario Veterinary College

Toronto, September 18th. 1917.

Sir Robert Falconer,
President, University of Toronto,
Toronto, Ont.

Dear Sir:-

The opening of our college year is fast approaching, and as so many changes have occurred in our Staff since the beginning of the present war I will be much pleased if you will inform me as to the names of the gentlemen who are to have charge, in the different subjects of the Veterinary course at the University to whom I may look for the signing or initialling of the examination reports, and other official documents which are, from time to time, forwarded to me.

In addition to the above I would be pleased for information concerning our course in Physiology the Chair of which has, as I understand it, recently been vacated. Dr Huntsman will give lectures in Physiology.-

With much respect
I am
Dear sir
Yours very truly

Edw A Grange

Principal,

Sept - Oct 1917

September 21st, 1917

Principal Grange,

Ontario Veterinary College,

Toronto.

My dear Principal Grange:

The following gentlemen are the heads or acting heads of the departments in which instruction is given to the students of the Veterinary College:

In Chemistry Dr. Leah Miller is acting head in the absence of Colonel Lang, though probably Dr. Kenrick may continue to give the lectures.

Dr. Faull is head of the department of Botany, but doubtless he and Professor Thomson together will arrange the instruction in Botany for the Veterinary students.

Dr. Bertram will give the lectures in Physiology during the forthcoming winter. I hope that we may have permanent arrangements made for the winter following.

Yours sincerely,

President.

October 22nd, 1917

Principal Grange,

Ontario Veterinary College,

Toronto.

Dear Principal Grange:

I spoke to you I think before about having Professor Thomson's name substituted for Professor Faull's as Instructor to the Veterinary Students. Professor Faull has now written to me formally asking that Professor Thomson should do this work and that his name should be placed in the Calendar of the Veterinary College on that account.

I am,

Yours sincerely,

President.
